“Cisco Certified Gold Partner” Status

Bittnet Systems S.A. (hereinafter referred to as “the Company”) informs the shareholders about the achievement of the “Cisco Certified Gold Partner”.

Bittnet joins a select club of only 7 companies in Romania that have this highest level of certification from one of the most important IT vendors in the world. The company expects that this certification will help it strengthen its value as a “trusted advisor” in relation to its customers from Bucharest, but also Cluj, Timisoara, Sibiu, Brasov, etc. Bittnet is currently the only Cisco Certified Gold Partner that addresses the Transylvanian market.

Bittnet is the only Romanian company to obtain this status in the past 8 years.

In order to obtain this status, Bittnet has undergone an independent audit process that has verified the skills of the entire team. The audit has checked for the existence of company-wide standardized processes and procedures for treating customers and projects in a unitary fashion, ensuring a high success probability, sales, project management and technical skills for positioning, delivering and maintaining complex IT solutions and the response to customer service request tickets. During the process, the audit has also verified actual customer satisfaction, business practices and the Company’s ability to integrate Hybrid IT, Cloud and Managed services solutions based on Cisco technology.

Informare privind obtinerea statutului “Cisco Certified Gold Partner”

Bittnet Systems S.A. (numita in continuare “Compania”) informeaza actionarii despre obtinerea statutului “Cisco Certified Gold Partner”.

Bittnet se alatura astfel unui club select de doar 7 companii din Romania care au acest cel mai inalt nivel de certificare din partea unuia dintre cei mai importanti producatori IT din lume. Compania se asteapta ca aceasta certificare sa fie foarte de ajutor pentru a intari perceptia de “partener de incredere” in fata clientilor nostril atat din Bucuresti, dar si din Cluj, Timisoara, Sibiu, Brasov, etc. Bittnet este in prezent singurul partener Cisco cu certificare “Gold” care adreseaza piata din Transilvania.

Bittnet este singura companie romana care a obtinut acest statut in ultimii 8 ani.

Pentru a obtine statutul de Cisco Certified Gold Partner, Bittnet a parcurs un proces de audit efectuat de un auditor independent, care a verificat aptitudinile intregii echipe Bittnet. Au fost auditate existenta unor procese si proceduri standardizate la nivel de companie, tratarea clientilor si proiectelor in mod unitar, asigurarea unei probabilitati mari de reusita, competentele de vanzare de solutii complexe, competentele de instalare si mentenanta a acestor solutii complexe, documentarea propunerilor si solutiilor livrate, managementul proiectelor, modul de raspuns la tichetele de suport deschide de client. Poate cel mai important, in procesul de audit au fost verificate satisfactia clientilor, practicile de business si capacitatea Bittnet de a integra solutiile de tip Hybrid IT, Cloud si Managed Services in proiecte cu tehnologie de retea Cisco.
