“Microsoft Gold Certified Partner” status extention Gecad Net SRL

Bittnet Systems S.A. (hereinafter referred to as “the Company”) informs the shareholders about the extention of the Microsoft Gold Certified Partner status of Gecad Net SRL. In order to extein this status, Gecad has undergone the audit process that has verified the skills of the entire team. The audit checked the existence of company-wide standardized processes and procedures for treating customers and projects in a unitary fashion, ensuring a high success probability, sales, project management, and technical skills for delivering and maintaining complex IT solutions and response to customer service request. The audit has also checked the customer satisfaction, business practices and Gecad ability to integrate technologies such as Windows and Devices, Data Analytics, Collaboration and Content, Midmarket Solution Provider, Datacenter, Cloud Productivity, Small and Midmarket Cloud Solutions, Software Asset Management services solutions based on Microsoft Technology. Gecad is one of few Microsoft partners in Romania that could provide all technical skills for Microsoft Azure technology at the highest certified level. Bittnet Systems is the Sole Associate of Gecad Net SRL.
